OUR STORY

Siesta Outdoors is located near the small village of Sugarcreek, Ohio. A family owned business, all of our pieces are built with care and attention to detail using the highest quality outdoor materials available. Our frames are built using Tangent HDPE poly. They are assembled using Marine grade stainless steel hardware and aluminum tubes for support and strength. All of our seating features our recline and fold system, along with a sling back and seat support system for unmatched comfort and ease of storage and use. The Siesta Set features a one piece poly fiber filled back and seat. The Caribbean Set features fiber filled back with an open cell outdoor foam seat cushion. All cushions come with a 5 year fabric warranty. All frames come with 20 year residential/5 year commercial warranty. We now offer our daybeds in additional sizes. New this year, we are offering protective covers for all furniture!

We strive to provide our customers with high quality, long-lasting, comfortable outdoor seating.
