Located on the outskirts of Northern Indiana Amish country, Cloverleaf Woodworking has been creating quality heirloom jewelry armoires since 2000. In 2019, we added wholesale bedroom furniture to our line of products. Today we offer 14 styles to choose from, ranging from mission to contemporary.

Our products are available in a variety of wood species and feature  $\frac{5}{8}$  solid wood dovetailed Drawers with full extension slides. Optional undermount soft close slides are also available. All our furniture is Sturdy Act Compliant, built with the interlock safety system.

With our dedicated team, we work diligently to ensure attention to detail, design and quality in every piece we build, setting us apart from other builders. Our goal is 100% satisfaction. We look forward to serving you.

Sincerely,  
Larry, Wilbur, and Joe
