A large stack of wooden planks, likely pine, arranged in a way that shows the grain and texture of the wood. The planks are stacked in a somewhat irregular manner, with some showing the end grain and others showing the side grain. The colors range from light tan to a darker brown. In the center of the image, there is a white square logo with a thin black border. Inside the logo, the text "MADE IN THE USA" is written in a serif font. "MADE" is on the top line, "IN THE" is on the middle line with a small star on either side, and "USA" is on the bottom line.
